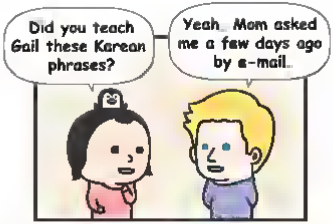
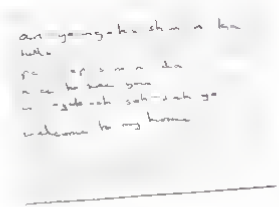
Mev stayed next to Gail and tought her how to introduce each room in Korean.

This place is for eating meals

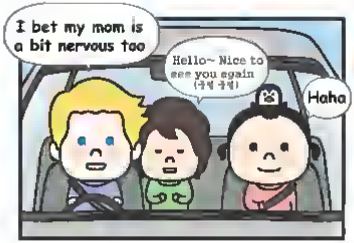




It seemed that Gail had practiced them very hard.

*The crapper.
... This.

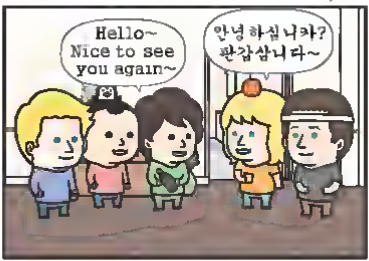
How come you can't remember the real names of the rooms but you know this?



Because it's been
a few years since they met,
both moms must have been nervous.

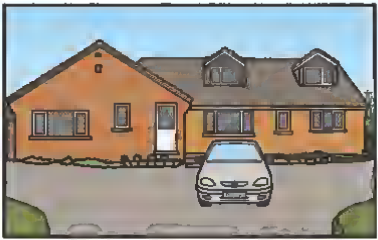
Gail also prepared greeting in Korean

Hello~
Nice to see you



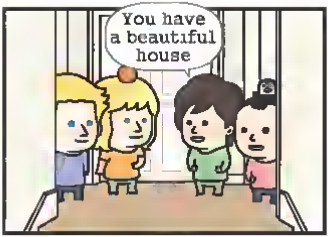
Like my mom prepared
what to say to them in English,...

That day,
the highlight of the introduction
to Gail's home was...

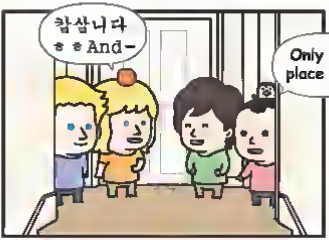


After about 2 hours,
we arrived at Gail and Andrew's

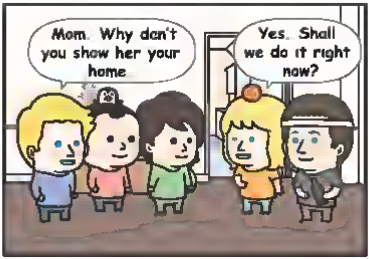
Gail welcomed us joyfully.



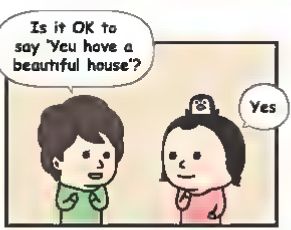
Although they were not very impressive or accurate,...

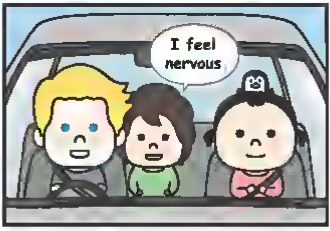


... I could feel Gail's kindness and consideration for my mom so I was happy.

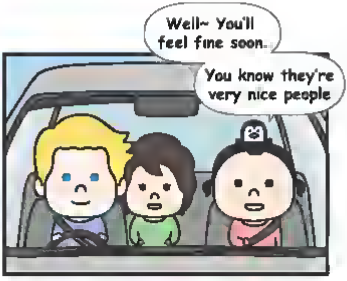


As we plonned to stay there for 3 days, Gail decided to show the house to my mom.





This year,
we went to Gail and Andrew's
with my mom.



It was very a good chance to
experience the UK's culture and
to meet Mev's family after a long time.

Kindness of Gail

Very quickly
it was Easter day again.
